WORK EXPERIENCE

Self Employed

August 2014 — April 2015

Private Saxophone Tutor

- Private tutoring with multiple saxophone students for my senior year of high-school, teaching intermediate level students around my age.

Spotfields

June 2016 — June 2016

Web Design Intern

- Intern for a month at Spotfields, Montreal based tech startup.
- Front and back end developer, mentored throughout.

QUALIFICATIONS

- Attending Marianopolis CEGEP in a math + music program with 3 scholarships for academic excellence totalling \$10,000.
- Placed on the Dean's List (over 85% average) for both all 4 semesters at Marianopolis.
- Knowledge of Python, Java, and web design languages (JS, CSS, HTML, PHP, JQuery, Bootstrap).
- Scored in the 75th percentile of the Pascal, Cayley, and Fermat math competitions.
- First chair and youngest student of the McGill wind symphony in my first year of CEGEP.
- Winner of the 2016 Prix d'Expression competition as the youngest participant.
- Award for highest Mathematics mark for sec II and highest music marks from sec I through sec V.
- Alto saxophone section leader for the Royal West Academy Honour Band for my two last years.
- High Distinction (highest possible grade) at the McGill Conservatory secondary exams (III-V).

EDUCATION

Secondary Education

August 2010 — June 2015

Royal West Academy

- Maintained academic excellence throughout all five years, with an average over 85% each year.
- Took the Science stream in sec V and graduated with Honours.

CEGEP

August 2015 — Present

Marianopolis College

- Dean's List student with a 32 R Score at the most competitive CEGEP in the province.

INTERESTS

- Programming and performing music.
